

13 OPERATOR: Pasco County Sheriff's Office, Operator
14 26.

15 CALLER: Yes. I just went through Grand and 54 and there
16 was a wreck and it appears the guy in the pick-up truck
17 is trying to leave the scene of the accident. He hit a van
18 or a van hit him. I don't know which way it was.

19 OPERATOR: Do you think that there's any injuries?

20 CALLER: It doesn't appear that there's any injuries and
21 now another guy just got out of another pick-up truck and
22 is pulling the other guy out of the truck who tried leaving
23 the scene.

24 OPERATOR: Are they about to fight?

25 CALLER: It looks like it.

1 OPERATOR: All right. Hold on real quick. I'm
2 typing in everything real quick; okay?

3 CALLER: All right. I'm not real sure because I don't want
4 to get real close to what's going on here.

5 OPERATOR: Ugh huh.

6 CALLER: He was going southbound on Grand and it appears to
7 be he came through the light as I was trying to turn and
8 the wreck happened before I actually got there and the van
9 was going westbound on 54.

10 OPERATOR: What color van?

11 CALLER: I'm not sure.

12 OPERATOR: Was the van the one that was trying to
13 leave?

14 C A L L E R: No. The pick-up truck was.

15 OPERATOR: What color pick-up?

16 CALLER: I can pull over. I'll drive back around it again
17 and see if I can get a color for you.

18 OPERATOR: Yeah, if you would, please.

19 CALLER: Not a problem. It looks like somebody else
20 intervened in it. It's a Chevrolet pick-up truck. It's
21 red in color. It's about a 2000, somewhere in that kind of
22 year, extended cab.

23 OPERATOR: What color is the van?

24 CALLER: The van appears to be red in color also. It's a
25 Ford and it looks like a Ford pick-up truck is the one that

1 pulled over in front of the Chevy pick-up truck that stopped
2 him from leaving the scene.

3 OPERATOR: All righty. They're going to be on out
4 there; okay?

5 CALLER: All right.

6 OPERATOR: Is there any road blockage?

7 CALLER: The van and another pick-up truck has kind of got
8 the guy sandwiched right now so he can't leave and they
9 pulled him out of his pick-up.

10 OPERATOR: All righty.

11 CALLER: But other than that all that is going on is four-way
12 flashers.

13 OPERATOR: Okay, that will work.

14 CALLER: Okay.

15 OPERATOR: Thank you.

16 CALLER: You're welcome.

17 OPERATOR: Bye.

18 CALLER: Bye.

19 ROBERTA PENNICKS: The time of the following
20 conversation is 01:23 hours.

21 OPERATOR: Sheriff's Office, 9-1-1. What's your
22 emergency? Hello.

23 CALLER: Hello.

24 OPERATOR: Yes, sir. What can I help you with?

25 CALLER: Yes. I'm at Highway 54 and Grand and there's a

1 pick-up right behind Club 54 on Grand and he smashed the
2 front end of his truck in. He stopped temporarily, but
3 he has been trying to move it.

4 OPERATOR: He's behind where?

5 CALLER: Club 54 on Grand on Highway 54.

6 OPERATOR: Okay. Is that in New Port Richey, sir,
7 or Holiday?

8 CALLER: Holiday.

9 OPERATOR: In Holiday, okay. What color is it, sir?

10 CALLER: It's sort of a burgundy color.

11 OPERATOR: Do you know what make it is?

12 CALLER: I'm going to try to get over where he's at.

13 OPERATOR: Okay.

14 CALLER: Hopefully I can.

15 Operator: All right. Just stay with me. I'm here
16 waiting on you, okay?

17 CALLER: Yep. Okay. It's a Chevy.

18 OPERATOR: Chevy?

19 CALLER: Yeah.

20 OPERATOR: Pick-up?

21 CALLER: Yes.

22 OPERATOR: Okay. And they've just had an accident
23 nearby; right?

24 CALLER: Yes. The front of his truck is smashed up. All
25 right. We just had another truck come up having a
